

About Us

Zig Zag Zoh is a unique play area that is action-packed, interactive, and loads of FUN! This is a space where kids call the shots by exploring and defining their own meaning of PLAY in a safe environment.

Exclusively for 2-9 years old with 4000 sqft to explore and play.

“Play is our brain’s favourite way of learning.” -Diane Ackerman

Why Zig Zag Zoh is a good choice for a school trip:

We are not a traditional play area. We combine the play exploration time with educational experiences customized to your student's learning needs.

The students will have access to 1.5 Hours to one of the most innovative play zones in the country with 4000 sq ft. of exploration and play space.

We have activities inspired by the Swedish Education System and Japanese Education System - that makes play the cornerstone of learning for all ages.

Food Included:

The school trips package includes access to play area and welcome drink and a snack box with mini burger, popcorn and ice-cream.

Optional ADD ons

These are LIVE experiences conducted by an informal education specialist and are approximately 60 minutes in length.
